GENERAL INFORMATION

SPRAY INDICATOR WSP is an ideal tool for making accurate applications of liquid pesticides and fertilizers. **SPRAY INDICATOR WSP** shows applicators where they have sprayed and will help avoid costly oversprays and skips. **SPRAY INDICATOR WSP** is easy and convenient to use, with no messy clean-up time. **SPRAY INDICATOR WSP's** water soluble packets eliminate container disposal and applicator contact with the colorant. **SPRAY INDICATOR WSP** is perfect for golf courses and professional grounds maintenance.

This product is **non-toxic** under OSHA standard 29 CFR 1910.1200 and SARA Title III.

DIRECTIONS

1. Fill the spray tank 1/2 full of water/solution. For paddle agitation systems, paddles should at least be partially covered with water.
2. Activate agitation system.
3. Add 1-2 packets for every 50-70 gallons of spray solution.
4. Complete the filling and mixing of the spray tank.

NOTE:

The time required to dissolve the packets and disperse **SPRAY INDICATOR WSP** varies depending upon water temperature and tank agitation. Allow at least 5 minutes for the packets to dissolve once added to the spray solution.

LIQUID EQUIVALENCY

10 WSPs = 1 gallon of **SPRAY INDICATOR WSP**.

SPECIAL INSTRUCTIONS

DO NOT FREEZE. Store in a cool, dry area above 40°F/4°C. Water soluble film may become brittle at colder temperatures. Always protect the Water Soluble Pack from exposure to moisture or high humidity. Do not handle the WSP's with wet hands. Reseal the protective outer bags immediately after the packs are removed.

CONDITIONS OF SALE – LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES

Read the Conditions of Sale – Warranty and Limitations of Liability and Remedies before using this product. If the terms are not acceptable, return the product, unopened, and the full purchase price will be refunded.

The directions on this label are believed to be reliable and should be followed carefully. Insufficient control of pests and/or injury to the crop to which the product is applied may result from the occurrence of extraordinary or unusual weather conditions or the failure to follow the label directions or good application practices, all of which are beyond the control of Helena Chemical Company (the "Company") or seller. In addition, failure to follow label directions may cause injury to crops, animals, man or the environment. The Company warrants that this product conforms to the chemical description on the label and is reasonably fit for the purpose referred to in the directions for use subject to the factors noted above which are beyond the control of the Company. The Company makes no other warranties or representations of any kind, express or implied, concerning the product, including no implied warranty of merchantability or fitness for any particular purpose, and no such warranty shall be implied by law.

The exclusive remedy against the Company for any cause of action relating to the handling or use of this product shall be limited to, at Helena Chemical Company's election, one of the following:

1. Refund of the purchase price paid by buyer or user for product bought, or
2. Replacement of the product used

To the extent allowed by law, the Company shall not be liable and any and all claims against the Company are waived for special, indirect, incidental, or consequential damages or expense of any nature, including, but not limited to, loss of profits or income. The Company and the seller offer this product and the buyer and user accept it, subject to the foregoing conditions of sale and limitation of warranty, liability and remedies.
